

# THE 10,000KM CHALLENGE 2024 EXERCISE FOR KIDS SCHOOL FEES

## JOIN THE WELLNESS REVOLUTION & SUPPORT SALVAZIONE PRIMARY SCHOOL

James Lewis, our Salvazione's champion, has set himself the goal to complete 10,000km, 7,000km cycling and 3,000km running, with the intention of raising R1,150,000 to pay for 50 underprivileged pupils' school fees in 2025.

The event will end and culminate at this year's 94.7 race where we hope to see many cyclists joining James in support of our cause.
